Catch A Wave Gala

Great Lakes Hemophilia Foundation
Headline News - April 2010

Jessica Kveen, Special Events Coordinator

Gala guests enjoyed a beach party at this year's "Catch a Wave" gala on Saturday, March 20th. Guests bid on exciting auction items, had the chance to dig for gems thanks to a generous donation by Jewels Jewelry Design, and sipped on our signature drink provided by Badger Liquor.

A special thank you to the evening's sponsors, our honored guests, and all the volunteers who put in long hours coordinating the event!
