

Welcome GLHF's new Executive Director

Great Lakes Hemophilia Foundation
Headline News - May 2011

Please join GLHF in welcoming Danielle Lietner Baxter as the new Executive Director of the Great Lakes Hemophilia Foundation (GLHF). Danielle brings to GLHF fifteen years of fundraising, volunteer, and program management experience. Most recently Danielle served as the Executive Director of the Crohn's and Colitis Foundation of the Minnesota/Dakotas. Danielle possesses the experience, passion, and determination to help GLHF achieve a new level of service to families with bleeding disorders. She is an energetic and exceptional leader who will inspire collaboration and build on GLHF's record of accomplishments.

Danielle will begin on May 31, 2011.
