Jessica Kveen, Special Events Coordinator

Golfers enjoyed a windy day at The Bog on Monday, May 16th. This year marked the 20th anniversary of Teeing up for Charity® presented by Harleys: The Store for Men. Tim Ryan has been a dedicated volunteer putting this event together for the past twenty years, and has raised over \$480,000 for the Wisconsin bleeding disorders community. A huge thank you to Tim, and all our volunteers and sponsors that made this event possible.
