

Decorate for a Cause

Great Lakes Hemophilia Foundation
Headline News - November 2011

Decorate for a Cause with Great Lakes Hemophilia Foundation's poinsettia, wreath and coffee sale.

Last year we added coffee and it was such a hit we are including it again, but as a special way to commemorate GLHF's first Family Camp we are featuring our very own Campfire Roast from Stone Creek Coffee.

Your purchase of these gorgeous plants and delicious coffee will help support important programs for Wisconsin's bleeding disorder community.

And don't forget to share the fun, because poinsettias, wreaths and coffee make great gifts!

[Order online before November 15th!](#)

CAMPFIRE ROAST

Campfire Roast doesn't include marshmallows, but your purchase is something sweet for Wisconsin families.

Each bag you buy helps us provide important educational programs for Wisconsin's Bleeding Disorder community, like our annual Family Camp.
